You've got a friend 1/2

You've got a friend

When you're down and troubled  
and you need a helping hand,  
and nothing, whoa nothing is going right.

G Gsus G

Capo 2  
Key of FA

Close your eyes and think of me  
and soon I will be there  
to brighten up even your darkest nights.

You just call out my name,  
and you know wherever I am  
I'll come running, oh yeah baby  
to see you again.

Winter, spring, summer, or fall,  
all you got to do is call  
and I'll be there, yeah, yeah, yeah.

You've got a friend.

(intro) G C G F#m7 B7

If the sky above you  
should turn dark and full of clouds  
and that old north wind should begin to blow

G Gsus G

Keep your head together and call my name out loud now  
and soon I'll be knocking upon your door.

You just call out my name and you know where ever I am  
I'll come running to see you again.
