# Beginnings Chicago

When I'm with you, It doesn't matter where we are

Or what we're doing, I'm with you that's all that matters

Time passes much too quickly, When we're together laughing

I wish I could sing it to you, whoa no, I wish I could sing it to you

Oh oh oh oh oh oh woah oh oh oh

Oh oh oh oh oh oh woah oh oh oh

Mostly I'm silent, hmm Silent, la la la la la, never think of the right

words to say,

When I kiss you, I feel a thousand different feelings, A cover of chills,

All over my body, And when I feel them

I quickly try to decide which one, I should try to put into words,

woah oh, Try to put into words

Oh oh oh oh oh oh woah oh oh oh

Oh oh oh oh oh oh woah oh oh oh

Mostly I'm silent, hmm Silent, la la la la la la la la, silent

Only the beginning, what I want to feel forever, yea, woe yea,

Only just the start, what I want to feel forever

Only the beginning, Only just the start, yea, I got to get you into my

life, I got to get you next to me. Only the beginning, Only just the start

only the beginning, ..., etc.
