

San Antone  
Rose

Bob Wills

$\frac{1}{2}$

Deep within my heart lies a melody

A song of old San Antone

Where in dreams, I live with a memory

Beneath the stars all alone

It was there, I found beside the Alamo

Enchantment strange as the blue up above

That moonlit path that only she would know

Still hears my broken song of love

Moon and all your splendor know only my heart

Call back my rose, rose of San Antone

Lips so sweet and tender like petals falling apart

Speak once again of my love my own

Oh, broken song, empty words I know

Still live in my heart all alone

And that moonlit path by the Alamo

my rose, my rose of San Antone
