You ought to see my blue eyed Sally  
G G/B D7 G  
She lives a way down on Shinbone Alley  
G G/B C C#07  
The number on the gate, the number on the door  
G G/B D7 G  
And the next house over is the grocery store

Stay  
a little  
longer

Classic  
Western  
Swing

G  
Stay all night, stay a little longer  
D7  
Dance all night, dance a little longer  
G C  
Pull off your coat throw it in the corner  
G D7 G  
Don't see why you don't stay a little longer

G G/B C C#07  
Can't go home if you're going by the mill  
G G/B D7 G  
'Cause the bridge washed out at the bottom of the hill  
G G/B C C#07  
Big creek's up, and the big creek's level  
G G/B D7 G  
Plow my corn with a double shovel

G  
Stay all night, stay a little longer  
D7  
Dance all night, dance a little longer  
G  
Pull off your coat throw it in the corner  
D7  
Don't see why you don't stay a little longer

G G/B C C#07  
Sitting in the window, singing to my love  
G G/B D7 G  
When slop bucket fell from the window up above

Mule and the grasshopper eating ice cream

Mule got sick and they laid him on the green

Stay all night, stay a little longer

Dance all night, dance a little longer

Pull off your coat throw it in the corner

Don't see why you don't stay a little longer

Grab your gal and pat her on the head

If she don't like biscuits, feed her cornbread

The gals around big creek, about half grown

They jump on a man like a dog on a bone

Stay all night, stay a little longer

Dance all night, dance a little longer

Pull off your coat throw it in the corner

Don't see why you don't stay a little longer

Stay all night, stay a little longer

Dance all night, dance a little longer

Pull off your coat throw it in the corner

Don't see why you don't stay a little longer
