Nothing can harm me at all

My worries seem so very small

With my waterfall

I can see my rainbow calling me

Through the misty breeze of my waterfall

Some people say day-dreaming is

For the all the lazy minded fools with nothing else to do

So let them laugh laugh at me

So just as long as i have you to see me through

I have nothing to lose long as i have you

Don't ever change your ways

Fall with we for a million days

Oh my waterfall
